- parents, families and communities. We are based on Thursday Island and work throughout the Torres Strait Region.

*This free service is available to Women, Children and Families*

*We offer*

- Prevention and early intervention strategies
  - Support and assistance when in crisis
  - Practical and informative assistance
  - Practical parenting advice & support

*All Women Sisters*

# *Child and Family Support Service*

**We help families with children and young people between 0-8 years old by promoting their safety and wellbeing.**

**Families with children and young people may find themselves in vulnerable or difficult situations such as:**

Family difficulties

Home safety

Feeling isolated with little support

Emotional stress

Financial stress

**If you experience any of these you can seek help from our Child & Support Service.**

**For our assistance call or visit us at**
