

FAMILY GAME: SA MACA ROSA

HOW TO PLAY

1. Family members sit in a circle with palms facing inwards
2. Your left hand must sit behind the hand of the person on your left
3. Your right hand must sit in front of the hand of the person on your right
4. As you sing the sa maca rosa song, you tap the hand of the person next to you.
5. The last person who says "three" has the tough job of trying to tap the next person's hand without them moving it. If they tap the person's hand, that person is out and the circle gets smaller. If they tap their own hand, they're out and the circle gets smaller, until one person wins.
