

# FAMILY GAME: SNOWMAN

## HOW TO PLAY

\*Snowman is like hangman, just more appropriate for children.

1. Person A thinks of a word & draws lines for the letters in the word.
2. Person B guesses letters.
3. If Person B guesses right, Person A reveals that letter in the word.
4. If Person B guesses wrong, Person A starts to draw a snowman (one shape per wrong guess).

If Person B can't guess the word before Person A draws the Snowman, they lose. If they guess the word before the Snowman is drawn, they win!
